The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

A Gift To Remember Ebook

A Gift to Remember truly is a gift when it presents us with lead character Darcy Archer who (like myself) constantly has her head buried in a book. The extent to which she lives through fictional characters does seem to have a detriment to her own personal life but all that changes with the failure of her alarm clock going off in the morning.
