About — Answer Engineering

When you're applying for a job, you'll hear a lot of interview questions—some trickier than others. One that's pretty common, but might catch you off guard, is, "What motivates you?" The interviewer is looking for insight into why and how you are motivated to achieve workplace goals and succeed at the job.

How to Answer "What Motivates You" Interview Question

How to Answer Interview Questions About Leadership Prepare for interview questions about leadership by thinking about the leadership skills that are most important for the position. Analyze the job listing for more information on the type of leader the organization is looking for, as well as the types of tasks you will need to perform.
