On Paper The Everything Of

[Basbanes] writes informatively about everything from paper trails to red tape, from the technical issues of papermaking to the high art of origami. . . . Readers will likely finish On Paper newly appreciative of not only paper's flexibility and function but also its ubiquity.

On Paper: The Everything of Its Two-Thousand-Year History ...

The result, Basbanes' Paper: The Everything of Its Two Year History. is a fascinating, informational, educational, and inspirational look at paper. Beginning "... a guiding premise of this book has been to demonstrate that paper is a substance of utility, almost always defined by the task at hand."

On Paper: The Everything of Its Two-Thousand-Year History ...

Paper is the thing and not the thing, as its worth "relies almost entirely on what has been written, drawn, or printed on its surface." Nicholas Basbanes recounts dozens of the 20,000 documented uses for paper, and reminds us that bound up in the most mundane of objects, there is the potential for the deepest of human expression.
