Varney's Midwifery: 9780763718565: Medicine & Health ...

Well, I didn't read this thing from cover to cover, but since it is a text-book I have used extensively, I believe it counts! I like using Varney to study medical numbers such as Vital Signs information, normal procedure and so on - but for a midwife in training, I didn't get much of the 'hands off' approach of midwifery from Helen.
